

# Round Food Packaging Pots

Interpack range of round food grade packaging pots in sizes from 155 ml to 1,000 ml.

For attention-grabbing retail shelf appeal, IPL pots and lids can be printed with vibrant graphics using the latest IML technology.

Pots and lids can be supplied crystal clear or white, with coloured pots available on request.

They can also be supplied unprinted for labelling in-line.

Manufactured at our Grade AA approved BRC facility in Cork, Ireland, in tough, hygienic polypropylene. Pots and lids are 100% recyclable, even with the inclusion of IML labelling.

## Features

Attractive design; crystal clear or white (coloured on request)

Nine capacities from 155 ml to 1,000 ml

For hot and cold fill applications

Snap-shut lids with tamper-evident security tabs

Printing options: IML (in-mould labelling) to all surfaces: tub sides, base and lid

Stackable and lightweight

Empty tubs nest for efficient packaging and transport

Manufactured at our Grade AA approved BRC facility
