

## 5L Container

### CONTAINER FAMILY

Manufactured to BRC standards at a state-of-the-art production facility. Ideal for use with food, chemicals, animal feeds, horticulture and oils.

#### Features

---

Produced to BRC standards.

---

Tamper evidence.

---

Modern, clean design.

---

Colour variations from white/clear to order.

---

IML (in mould labels) options on most sizes.

---

Plastic/metal handle options on most sizes.

---

Applied with even numbers of bases and lids on each pallet.

---

Shipping from one pallet to multi-pallet direct delivery.

---

Fully recyclable.

# 5L Container

Container Dimensions	Metric	Lid Dimensions	Metric
Height	140mm	Height	8mm
Width	150mm	Width	151mm
Length	341mm	Length	341mm
Wall Thickness	0.85mm	Wall Thickness	-
Weight	119g	Weight	39.8
<b>Volume</b>	<b>5000ml</b>		
<b>Volume To Brim</b>	<b>5250ml</b>		

## Raw Material / Transport and Warehousing

Buckets and lids are made from food-grade polypropylene (PP).

Warehousing: sealed unit pallets, which include even numbers of bases and lids.

Filling and closing conditions: max. content temperature during filling 95°C. For stacking content temperature should be lower than 45°C. Put not more than 2 warm containers in the stack.

When outside temperature decreases to 25-30° containers will be more rigid and mechanical parameters allowing stacking for maximal static load as below.

Load on the lower container:  
Static (T<23°C) : < 9 kg  
Transparent containers < 7 kg

Palletising of containers: product with density 1,6 g/cm<sup>3</sup> according to the customer practice giving consideration to the mentioned earlier values.

All materials and dyes used to produce container or lid designed for the food sector are approved for food contact.

All packages from a single pallet should be used immediately after unpacking.

Manufacturer is not responsible for container deformation if stacked with other products on top of finished pallet.

## Palletisation at delivery

1800 container/pallet  
packaging: carton box

1800 lid/pallet  
packaging: carton box

## Container Colours

Colour and IML options available  
(minimum orders apply).

## Lid Colours

Colour and IML options available  
(minimum orders apply).
